HOW TO WEAR 70S??

The best way to find your own 70s clothes is to find some cool clothes that are similar to your outfit now. If you have absolutely no idea to find similar clothes, then check out some stores that carries a plenty of 70s-inspired looks. I personally recommend

retro fashion. It got a lot of influences from nostalgia. Or you can wear 70s-inspired look like Karen Lynn Gorney from Saturday Night Fever.
